

Managing Director Advocate Lubna Al Tarawneh Vitae

Advocate Lubna A. Al Tarawneh Law Firm and Legal Consultants maintains a strong network of professionals and external consultants in micro-matters of technical backgrounds. This pooling of knowledge, along with our enhanced resources and industry capability means that we can advise you of best practices and bring new information and services. Advocate Lubna has over 9 years of experience in both general counsel and legal consultant positions with widely known and reputable laws firms and corporations. She is now the managing partner of her own law firm.

Advocate Lubna comes with considerable corporate experience gained in Jordan, including legal due diligence, drafting and finalizing legal documentation and share purchase agreements; represented and drafted various commercial agreements enlacing joint ventures, shareholder's agreements, licensing, distribution, consultancy, supply and professional services agreements. She also has extensive experience in advising new to market companies from regulatory perspective, including managing the set up of business presence in the various available options in the country. She has also acted as a legal counsel to various purchasers, sellers and entities in the region and internationally.

In addition to the corporate legal experience, Advocate Lubna has vast knowledge and experience in employment and intellectual property matters. She provided legal assistance to general counsels of multinational

organizations abroad on major corporate transactions advising on the legal implications of company activities, protection and enforcement of its legal rights and the minimization of liabilities and exposure.

On another important note, Advocate Lubna and her legal team maintain excellent relationships with various governmental body institutions as a result of their continuous work and visits and are therefore capable of handling any regulatory work or secretarial compliances smoothly with no unjustified details.
